

I was just informed that one of our local stations (K-LOVE) may be in danger of being replaced by an LPFM station. K-LOVE serves a vital purpose in our community by providing family-friendly music and positive messages. If this station were displaced by an LPFM station which does not provide these values, it would not only have a negative impact on my family, but for thousands of people in our community. K-LOVE is one of the few stations in our area which provide this kind of programming and it would be a terrible loss if it were forced off of the air.
